# USP

Liberty coin (LBTC) is listed on PancakeSwap (DEX) but it **cannot be purchased**.

**Meaning no one can ever manipulate LBTC**

The game of pumping and dumping which happens in other coins could not be played here

Coin holders have the freedom to sell (swap) their LBTC assets directly on Pancake (DEX).

**"Disclaimer:** Cryptocurrency is subject to high risks and high rewards. Prices can fluctuate dramatically, and past performance is not indicative of future results.

Before engaging in any crypto-based or income opportunity, thoroughly evaluate the risks, rewards, transparency, and security of the project.

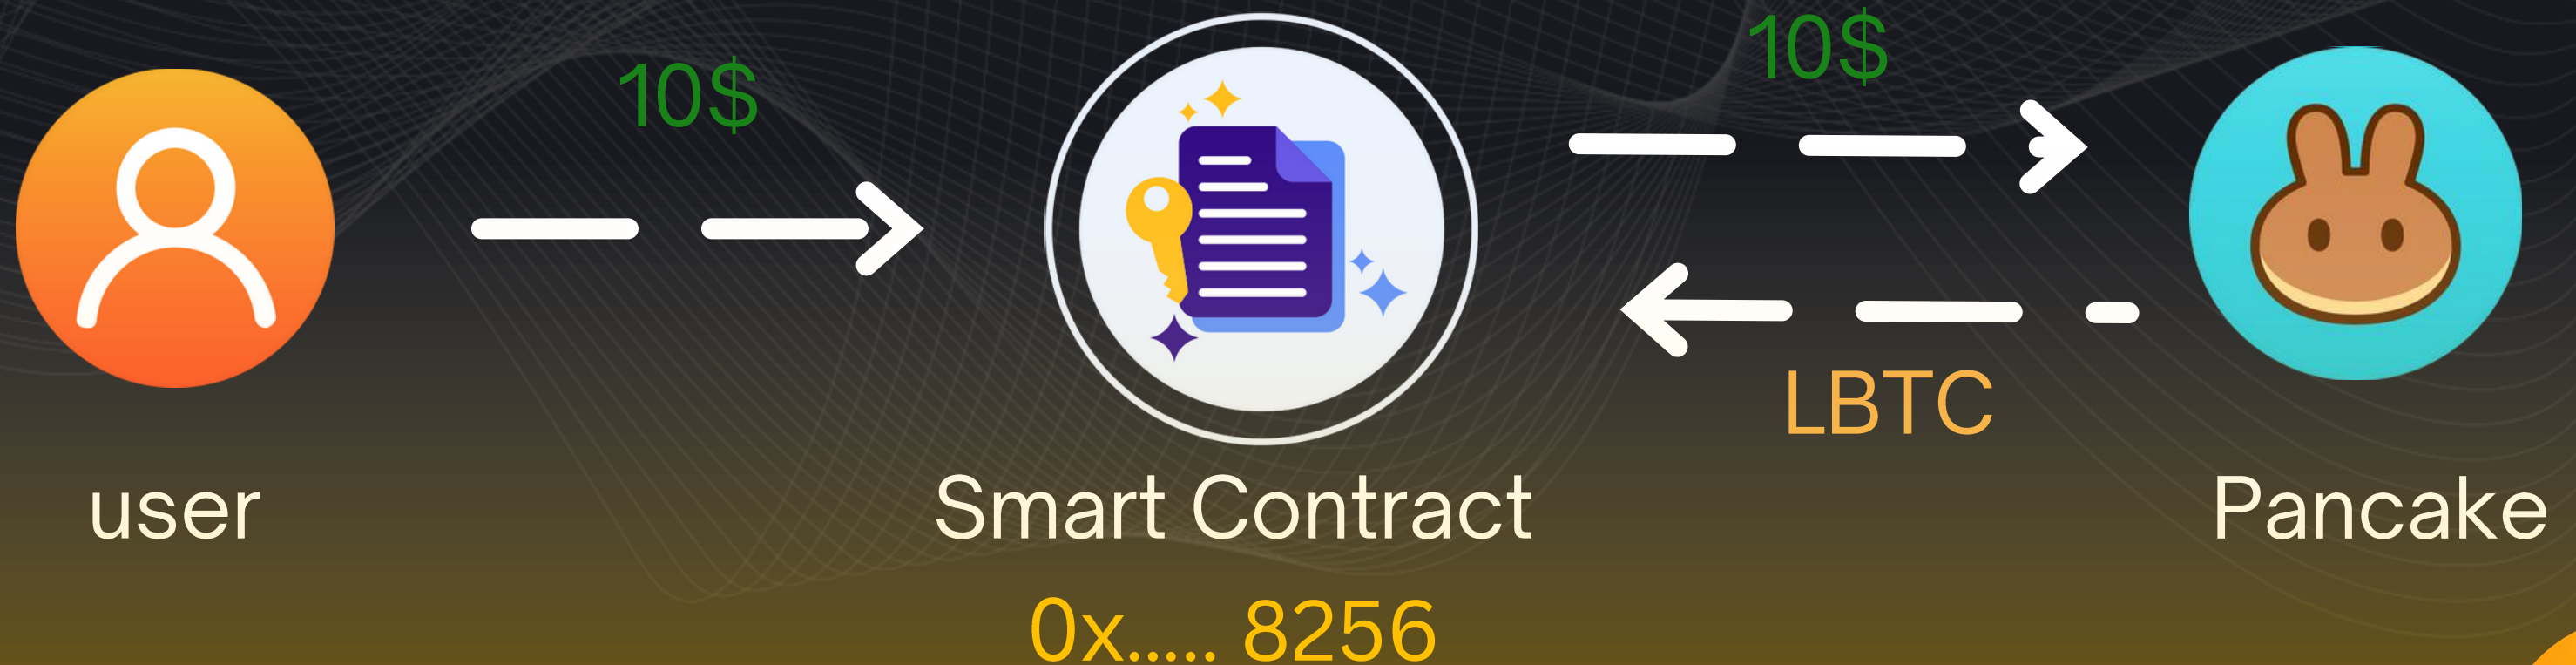

Liberty Life is a community-driven project where all decisions and outcomes depend on collective participation. Always conduct your own research (DYOR) and carefully assess your financial situation before contributing. Only contribute funds you can afford to lose."
